

We are asking that our community comes together for this 2016 Autumn Festival by baking!

This is Kiwanis largest fundraiser all year. Would you like to help by baking? We are having the ole fashion "cake walk" this year.

We need "Cakes" of all flavors/sizes. Would you spread the word to your fellow church members?

If you're interested just bring your cake Saturday morning to the Poseyville Community Center. There will be a cake table ready. You may label your cake or keep your gift private.

No sign ups required.

Please just bring your gift Saturday Sept. 24, 2016. You may bring it as early as the Pancake breakfast.

We will be happy to see you & your cake!

There are no limits on how many cakes. The amount of cakes will determine how many cake walks we may hold. So bake away!
